

Kits for a Cause

A team building activity to benefit local students served by Classroom Central

1 in 2 students in our local area live in poverty. You can help level the educational playing field for these students while engaging your group in a meaningful activity. Each kit your company, faith group or community organization creates will enable a child to have the basic tools they need to be successful in school.

It's Easy as 1-2-3!

1. Your group purchases the kits through Classroom Central's wholesale partner, saving you hundreds of dollars compared to retail pricing.
2. The items are shipped to the location of your choice where you host an event and assemble the kits.
3. Once completed, kits can be dropped off at Classroom Central and distributed to students through our Free Store program!
