

SPARK Flashcards

Remote Volunteer Opportunity That Benefits Students in Need

1 in 2 students in our local area live in poverty. You can help level the educational playing field for these students while engaging your group in a meaningful activity. Each set of flashcards your company, faith group or community organization creates will enable a child to learn the basics they need to be successful in school.

It's Easy as 1-2-3!

1. Your group creates flashcards using Classroom Central's templates
2. Once completed, flashcards can be dropped off at Classroom Central during our regular donation hours (Monday-Thursday from 9AM-Noon).
3. Classroom Central distributes the flashcards to teachers and students through our core programs.
