Email 1: Announce your drive (We recommend sending one week before your drive starts.)

This past year has challenged all of us in unique ways, and the inequities we've seen grow in our community won't disappear by just going "back to normal."

That's why we're partnering with Classroom Central to make sure all local students are equipped to succeed in school and overcome pandemic learning loss. Classroom Central serves more than 127,000 students and their teachers across 6 school districts in nearly 200 high-need schools. Their mission is to equip students to effectively learn by collecting and distributing free school supplies to their teachers.

Equipping all local students with all of the basic tools they need to succeed will require over 1,000,000 supplies. So we need everyone's help!

We will be hosting a school supply drive to benefit Classroom Central. Our goal is to collect [insert your goal] supplies. Our supply drive will run [insert dates].

[For traditional drives, insert logistics such as where barrels are located, etc. For virtual drives, include a link to your virtual supply drive page.]

Your support is more crucial this year to help students overcome pandemic learning loss. CMS reports that 32% of its students failed at least one course, and recent studies show some students have lost over a year of learning due to COVID-19. Unfortunately, 54% of CMS students live below the poverty line, which means 1 in every 2 students will be unequipped to catch up to their peers, let alone learn new lessons. But you can make all the difference for a student in need.

More details will follow next week. In the meantime, click here to learn more about Classroom Central, or follow them on Facebook, Twitter, Instagram and LinkedIn to keep up with their latest news and events.

Stay tuned!

Classroom Central also accepts financial contributions, and they're 100% tax-deductible. Classroom Central transforms each dollar donated into \$9 worth of school supplies for a student in need! Make sure **[insert Organization Name]** is in the "Comments" box within the donation form, or on the "memo" line of a check.

To put the impact you're making into perspective, Ms. Pemberton, a Charlotte-Mecklenburg Schools teacher says it best, "Words cannot express how much of an impact your generosity makes. Students are astounded that people that they have never met, and may likely never meet, would care so much about them and their learning that they would donate consistently to make sure that they have everything that they need to succeed. Thank you!"

If you'd like to volunteer to help us sort and count our donations at the end of our drive, please contact **[insert contact information]**.

Email 3: Reminder & Student Story

It's **[insert week/day #]** of our school supply drive! The deadline for donations is **[insert deadline]**!

I'd like to introduce you to Ms. Bass and her new student: "I had a student recently join my class. All she came to class with was an empty book bag. When other students began to take out their materials, she was ashamed because she didn't have anything. I grabbed a zipper pouch filled with crayons, pencils, glue and scissors from Classroom Central and no one thought anything of it. The little girl looked as though she had won the lottery. The materials I receive from Classroom Central have been a life saver on more than one occasion. — Ms. Bass, Lancaster County (SC) Schools

See what teachers have to say about us — Classroom Central's donors:

"Students are often embarrassed to admit that they do not have the required supplies. Your generosity has granted so many children more self-confidence and capability to complete school work and fulfill their dreams."

"You guys have given me more than I could ever repay you for. I am constantly spending \$1,500-\$2,000 each school year on my students and supplies. With your generosity, more of my money has been able to go towards my needs while also allowing my students to have access to what they need and deserve in their educational environment."

"Without you all, my life would be a lot more difficult and costly!"

"Classroom Central brings equity into my classroom, by enabling all students to be prepared and ready to learn."
