

Kits for a Cause

With Classroom Central, Team Building is **DREAM** Building!

You can help create equity in education for local students while engaging your group in a meaningful activity. Each kit your company, faith group or community organization creates will enable a child to have the basic tools they need to be successful in school.

It's easy as 1-2-3!

1. Your group purchases the kits through Classroom Central's wholesale partner, saving you hundreds of dollars compared to retail pricing.
2. The items are shipped to the location of your choice where you host an event and assemble the kits. You can also host your event at Classroom Central!
3. Drop off completed kits at Classroom Central to be distributed to students through our Free Store program!
