

# 2024 Partnership Opportunities

Studies show that children living in poverty are twice as likely to:

- · repeat a grade
- be suspended or expelled
- drop out of school

Teachers often attempt to provide for empty-handed students:

- \$39,000 is the average starting salary of a North Carolina teacher.
- On average, teachers spend at least \$1000 on school supplies for their students every year.

When children have school supplies of their own:

- · classroom behavior, attendance, and grades improve
- self-esteem strengthens, and kids develop better attitudes toward school and learning.

Classroom Central turns every \$1 donated into \$9 worth of school supplies.
We believe every child deserves the opportunity to succeed in school — and in life.

## Current community challenges

#### Teachers:

- · 28% annual turn-over rate in high-poverty schools
- · 35% in high-poverty schools are 1st year teachers

#### **Students:**

- · Only 25% of our 3rd graders are reading on grade level
- · Only 10% of our elementary students are proficient in math
- · Instructional time is not equitable
- · Early Learning is critical to academic success

# We believe teachers are the most important school supply

Teachers spend an average of two paychecks per year on school supplies for their students. We believe every teacher should be focused on instilling the love of learning rather than being burdened with buying supplies that their students need to succeed.

That's why we aim to not only fill their classrooms, but also teachers' hearts and minds with the support they need. Classroom Central nurtures teachers' social and emotional well-being through collaborative spaces, an online community, programs that are constantly innovating. We aim to positively impact teacher retention rates, ensuring that every student has the opportunity to learn from and bond with an amazing teacher.

# Mission, Reach & Impact

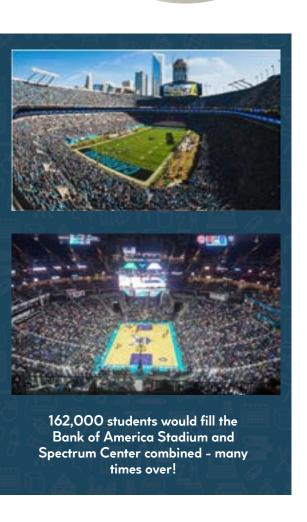

# More than 1 in 2 students in our region live in poverty

Far too many students arrive at school without the materials they need to be successful. Without the proper supplies, children often become disengaged from school and form a negative association with learning, which increases their absenteeism and the likelihood they will ultimately drop out of school.

# We believe in the potential of every child

Classroom Central fosters equity in education by providing teachers and students with the free resources **they need to succeed.** We envision a world where every child has the supplies they need to learn, and every teacher feels valued and supported. We provide essential school supplies, plus additional resources including hands-on learning materials, incentives, a Lending Library and prepared lesson plans. Since opening our doors in 2002. Classroom Central has distributed over \$85 million worth of free school supplies. The resources that we provide create possibilities for teachers to deliver more challenging lessons and for students to realize their own true potential. They incentivize and motivate students to do their best, and they spark student engagement and attachment to school, which is the single most important factor in

long-term academic success.

We're turning pencils into possibilities for more than 162,000 students and 13,000 teachers in more than 220 schools across 6 districts.

# We create positive outcomes

Classroom Central utilizes four core programs to get free supplies into the hands of students and teachers who need them most. When children have their own school supplies, their grades and classroom behavior improve, their self-esteem rises, and they become more excited about school and learning. Having the right materials in the classroom also helps teachers increase instructional time.

# Making a difference

Each dollar you donate to Classroom Central transforms into \$9 worth of school supplies. We are 100% supported by individuals, businesses and foundations who believe, as we do, that a good education is one of the most reliable ways to help children reach their full potential.

2024 PARTNERSHIP OPPORTUNITIES

# How we get supplies to teachers and students

#### **FREE STORE**

Our flagship program allows teachers to shop in person for essential classroom supplies plus our widest assortment of materials, including hygiene items, clothing, arts and crafts, flash cards, workbooks, incentives, and so much more. Teachers can also visit our Literacy and STEM sections or check out kits from our Literacy and STEM Lending Libraries, for hands-on learning resources and grab & go curricula.

#### **CURBSIDE PICK UP**

When teachers don't have time to shop in store, they can order online or in our mobile app, and drive by to pick up their free supplies.

#### **MOBILE FREE STORE**

When teachers can't come to us, we go to them. Our Mobile Free Store hits the road to deliver free supplies to teachers in all 6 school districts we serve.

#### **TEACHER LAUNCH BOX**

Once a quarter, we deliver a box directly to new teachers, filled with free school supplies, seasonal supplements, and gifts, to equip teachers and students for success!

#### BACKPACKS & BASICS

Imagine every student in our region's highest needs schools getting to experience the pride of receiving a brand new backpack filled with supplies at back-to-school. Thanks to local supporters, these dreams do come true!

# **Backpacks & Basics**

#### **Details:**

Classroom Central's Backpacks & Basics program ensures that students in the highest needs schools - those where 100% of the student body is receiving free lunch - receive a new backpack full of supplies to start off the new school year. Classroom Central will hold our third annual backpack building event by bringing together volunteers from Charlotte's most respected organizations to build backpacks at a high-energy, high-impact event at Bojangles Coliseum.

#### Partnership Opportunities, Benefits & Investment:

By becoming a sponsor, you can provide backpacks filled with school supplies for local students who are most in need. Having these supplies helps students build self-confidence and achieve success in the classroom. It also gives their teachers access to additional learning materials for their students.

# 2024 Program Partnership **Opportunities**

Classroom Central relies on our strong program mix to provide free school supplies to area teachers and students. When you sponsor these programs, you play an essential role in covering costs and ensuring their continued success. Partnership options are flexible – you can support us monthly, for specific events, or commit for an entire year! Mix and match these options to maximize your company's impact on local education.

#### Free Store & Curbside Pick-Up: Monthly

Our flagship program and our popular program for educators on the go allow eligible teachers to get the essential school supplies they need with the most extensive variety of items. You'll support our most popular programs, displaying your company logo to our largest group of monthly shoppers.

#### Mobile Free Store: Annual

Because Classroom Central supports six school districts, not every educator in need of supplies can make it to our Free Store, so we take the supplies to them. By sponsoring our Mobile Free Store, you'll not only be increasing equity in education but also accessibility for educators.

#### Teacher Launch Box: Monthly/Annual/3-Year

Once a quarter, Classroom Central automatically delivers boxes filled with free supplies, seasonal supplements, and gifts directly to first-year teachers to help them build their classroom stock and ease the pressure of being new to the profession.

#### **Teacher Retention Program: Annual**

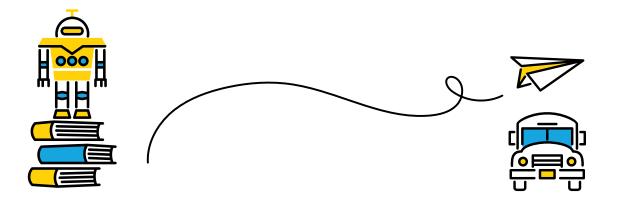

We know that the most important school supply a child can have is an excellent teacher. Classroom Central is committed to helping keep talented teachers in the classroom by supporting and incentivizing educators in ways their schools cannot and your company can help.

Classroom Central

# Introducing the Teacher Retention Initiative

Quality teachers are crucial for student success. However, it's becoming harder to recruit and retain them.

Working in partnership with the CMS Retention Committee, Classroom Central is piloting an initiative to assist five schools and their principals in implementing recommendations outlined in the CMS Retention Toolkit.

There are numerous ways your company can get involved and three levels of sponsorship for this innovative new program.

#### \*Title Sponsor: Annual

Become the organization recognized for helping keep talented teachers in classrooms at the schools who need them the most in Charlotte-Mecklenburg.

\*Exclusive sponsorship

#### **School Sponsor: Annual**

Excellent teachers are the most important school supply of all. Support a specific school of your choice and help ensure that teachers at that school receive the appreciation and recognition they deserve.

#### **Assets Sponsor: Ad Hoc**

Your support gives teachers the extra boost they need to thrive. From sporting events and community gatherings to highly-coveted products and gift cards that make their to-do lists a breeze, your contributions help teachers stay focused on what matters most: their students.

## **Assets Partner**

The CMS Retention Toolkit provides clear guidelines on how partners, including your company and Classroom Central, can contribute. Your company has the opportunity to offer gift cards, tickets, products, and services that can be utilized by principals as incentives and rewards for dedicated teachers.

See examples below:

#### **DONATE GIFT CARDS**

At the forefront of every teacher's wishlist are gift cards. They particularly appreciate gas cards, car wash cards, and gift cards for grocery stores and restaurants. Retail stores and coffee shops are also highly sought after by teachers.

#### **DONATE TICKETS**

Charlotte is known for exciting sports, captivating performances, and sensational concerts. Your donation of individual tickets or entire boxes empowers teachers to enjoy these

# 2024 Monthly Event Partnership Opportunities

Classroom Central depends on local community support for programs benefiting over 220 regional schools. Our funding, entirely from corporations, foundations, and individual donors, doesn't include government, United Way, or school system contributions. Besides volunteer hours, we require financial support to cover program staff and related expenses. Classroom Central needs financial support to underwrite the balance of our small staff and other program-related costs.

#### Class Reunion Major Donor Recognition Reception: January

Major donors and past board members attend this private, invitation-only reception, that is held every other year to recognize our most loyal donors.

#### Show & Tell Luncheon and Facility Tours: Monthly

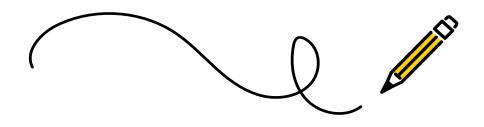

These monthly events provide guests a comprehensive tour and in-depth look into Classroom Central's mission and operation.

#### **Volunteer Appreciation Month: April**

During National Volunteer month, Classroom Central honors all volunteers that support our mission through their time and hard work. In addition to providing giveaways, we also hold a luncheon for those who volunteer regularly!

#### Teacher Appreciation Week: May

During National Teacher Appreciation Week, the first week in May, Classroom Central honors all teachers for their dedication and demanding work by providing additional opportunities for shopping as well as numerous raffles, giveaways and extra love!

# Volunteer Opportunities

#### **In-Person Volunteers**

Classroom Central has a robust volunteer program that supports the work in our Free Store and warehouse. Each year, more than 3,600 volunteers contribute tens of thousands of hours to Classroom Central. Volunteer opportunities for individuals and groups range from one-time events to ongoing programs. Our facility has a dedicated space that accommodates groups of up to 50 volunteers, for corporate team building, and community service days.

#### **Examples include:**

- · Store stocking
- Teacher shopping
- · Teacher curbside pick-up
- · Die-cut program
- · Counting/sorting supplies
- Serving on a Committee or Board of Directors

#### **Remote Volunteers**

We offer remote volunteer opportunities that can be done from anywhere for teams unable to leave their office or individuals seeking at-home options.

Donations can be dropped off or mailed to Classroom Central at 2116 Wilkinson Blvd., Charlotte, NC 28208.

#### Remote volunteer opportunities include:

- · Assemble Kits for a Cause
- · Create Flashcards
- · Create Bookmarks
- · Declutter & Donate Books
- · Write Notes of Encouragement for Teachers and Students
- · Knit Hats & Scarves

# **School Supply Drives**

Every year, more than half of the students in our region start school without the necessary tools, placing them at an immediate disadvantage. Teacher surveys validate that having supplies enhances student achievement, boosts self-confidence, improves teacher-student relationships, and uplifts overall classroom morale.student relationships and overall classroom morale.

# 9 School Tools (July - August)

Each summer, more than 350 companies, community groups and individuals come together to host Classroom Central School Supply Drives to make sure that ALL students have the tools they need to succeed. In 2023, donors raised over \$225,000 and provided 959,575 school supplies! Classroom Central Supply Drives are part of WSOC-TV's 9 School Tools Campaign, which serves 22 counties.

Classroom Central provides comprehensive support for your successful school supply drive. You'll receive regular emails packed with valuable tips, insights on school supply sales, campaign updates, and crucial information. Our 9 School Tools drive is an excellent team-building activity, and we offer companies the chance to create multiple teams with separate goals for friendly inter-departmental competition!

## Virtual School Supply Drive (Year Round)
