Backpacks & Basics

August 6, 2026

Classroom Central's Backpacks & Basics program ensures students in the highest-need schools—where 100% of students receive free lunch—receive new backpacks filled with supplies for the school year. Our fifth annual backpack-building event will bring together volunteers from Charlotte's leading organizations for a high-energy, impactful experience.

Partnership Opportunities, Benefits & Investment:

As a sponsor, you can provide local students in need with backpacks filled with essential school supplies. These supplies boost students' self-confidence and enhance their success in the classroom, while also giving teachers access to valuable learning materials. Your support makes a meaningful difference in their education.
